To: All Divisions and Sections, Special Commodities Branch

From: H. C. Albin, Chief, Special Commodities Branch

Subject: Assignment of Contracts to the U. S. Army

A memorandum of agreement between the FSCC and the Office of the Quartermaster General, on commodity transfers, specifies that an assignment of a contract will require . . . "mutual assent by FSCC, the Army and the vendor involved".

In order to assure the fulfillment of this agreement on the part of the FSCC, the assent by the vendor will hereafter, be obtained prior to the completion of all contracts entered into by this Branch.

Until such time as "Standard Contract Conditions" (Form FDA-474) is amended to include this item, it will be necessary to insert a provision to that effect in the announcement, offer form or acceptance, as applicable to the particular negotiation involved.

The wording of this provision, in each instance, shall be as follows:

Announcement

Any products to be delivered as a result of contracts awarded under this announcement may be requested to be delivered to the U. S. Army, at the option of the FSCC, by an assignment of the contract to the Army.

Offer Form or Special negotiated contract

Any products to be delivered under a contract resulting from this offer may be requested to be delivered to the U. S. Army, at the option of the FSCC, by an assignment of the contract to the Army.
